Colour Changing Lights

Using the controller, choose from Warm White, Ice White, Daylight White or 16 million colours

FL086723

Single Colour LED Controller
2.4GHz remote control & app control, support third party voice control. One strip controller can transmit the signals from the remote control to another controller within 30m. Working voltage DC12V-24V

Price €28

FL086725

RGB LED Controller
2.4GHz remote control & app control, support third party voice control. One strip controller can transmit the signals from the remote control to another controller within 30m. Working voltage DC12V-24V

Price €28

FL086726

RGBW LED Controller
2.4GHz remote control & app control, support third party voice control. One strip controller can transmit the signals from the remote control to another controller within 30m. Working voltage DC12V-24V

Price €28

FL086727

RGB + CCT LED Controller
2.4GHz remote control & app control, support third party voice control. One strip controller can transmit the signals from the remote control to another controller within 30m. Working voltage DC12V-24V

Price €28

FL087030

Constant Voltage 16W LED Driver, 24V Output, 670mA Output

Price €20

FL063197

Constant Voltage 60W LED Driver, 24V Output, 2.4A Output

Price €42

All Prices exclude VAT at 23%
