

### Product Description

Brighten your festive setup with these multicolour connectable low voltage LED string lights. Each 10m set includes 100 LEDs on a durable black rubber cable and is part of our 24V connectable system. Connect up to 4 sets with a 20W transformer, 8 sets with a 40W transformer and up to 12 sets with a 60W transformer. The male and female connectors make linking simple and secure. Rated IP65, they are ideal for outdoor Christmas trees, public displays or commercial lighting schemes needing safety, performance and vivid colour.
