

## Product Description

Add shimmer to your festive setup with these warm white with ice white flash low voltage string lights. These 10-metre connectable sets feature 100 sparkling LEDs on a durable black rubber cable, part of our 24V low voltage system. Connect up to 12 sets (1,200 LEDs) and power them with a compatible transformer: 4 sets with 20W, 8 with 40W, and 12 with 60W. Energy-efficient, IP65 rated, and built for large-scale Christmas displays. With just 3W power usage per set, these outdoor Christmas string lights are both energy efficient and strikingly effective.
