

Product Description

Create a traditional festive display with these 5-metre long outdoor LED icicle Christmas lights, featuring 100 bright LEDs available in ice white or warm white. Designed with varying drop lengths of 30cm, 40cm, 60cm and 70cm for a realistic cascading effect along rooflines, fences, and windows. Built on a durable white rubber cable for a clean, professional finish. Part of a connectable system, link up to 20 sets (100 metres total) from a single power source. Rated IP65 for reliable outdoor use and energy-efficient at just 6W per set, making them ideal for residential and commercial displays.
