

Product Description

Add a bold, traditional touch to your festive décor with these 5-metre long LED icicle lights, featuring 100 red LEDs accented with ice white flash effects for added sparkle. The cascading drop lengths of 30cm, 40cm, 60cm and 70cm create a classic icicle look ideal for roofs, gutters, fences and more. Constructed with durable white rubber cable and IP65 rated, they are suitable for indoor and outdoor use, even in wet or windy conditions. As part of a connectable system, you can link up to 20 sets (100 metres total) from a single power source. These mains voltage lights consume just 6W per set, delivering reliable, bright and energy-efficient illumination for homes and commercial spaces.
