

Product Description

5 metre long LED icicle lights, featuring 100 LEDs in a warm white glow enhanced by sparkling ice white flash effects. Designed with cascading drop lengths of 30cm, 40cm, 60cm, and 70cm for a realistic icicle appearance. Made with a durable white rubber cable and rated IP65, these lights are perfect for both indoor and outdoor use. Connect up to 20 sets from a single power source to cover larger areas. Ideal for rooflines, gutters, fences and festive event décor, while consuming just 6W per set for energy-efficient performance.
