

Product Description

Professional-grade LED curtain lights with a 1.5 metre drop and 2 metre width, featuring 450 LEDs across 15 vertical strings. These lights emit a warm white glow with subtle ice white flash effects, deliver a festive sparkle ideal for Christmas and seasonal décor. Built on a durable white rubber cable and rated IP65, they are suitable for indoor and outdoor use in all weather conditions. The static with flash effect combines elegant consistency with eye-catching highlights. As part of a connectable system, up to 6 sets (2,700 LEDs) can be linked together from a single plug lead, allowing seamless expansion for larger displays. Perfect for residential, retail and commercial installations.
