

Product Description

Create striking vertical light displays with these professional-grade connectable LED curtain lights, featuring 450 LEDs arranged across 15 strings. Measuring 2 metres wide with a 1.5 metre drop, these curtain lights are available in ice white or warm white, deliver a bright and uniform glow perfect for Christmas, weddings, events and architectural lighting. Designed for both indoor and outdoor use, the lights are built on a durable white rubber cable and rated IP65 for reliable performance in all weather conditions.

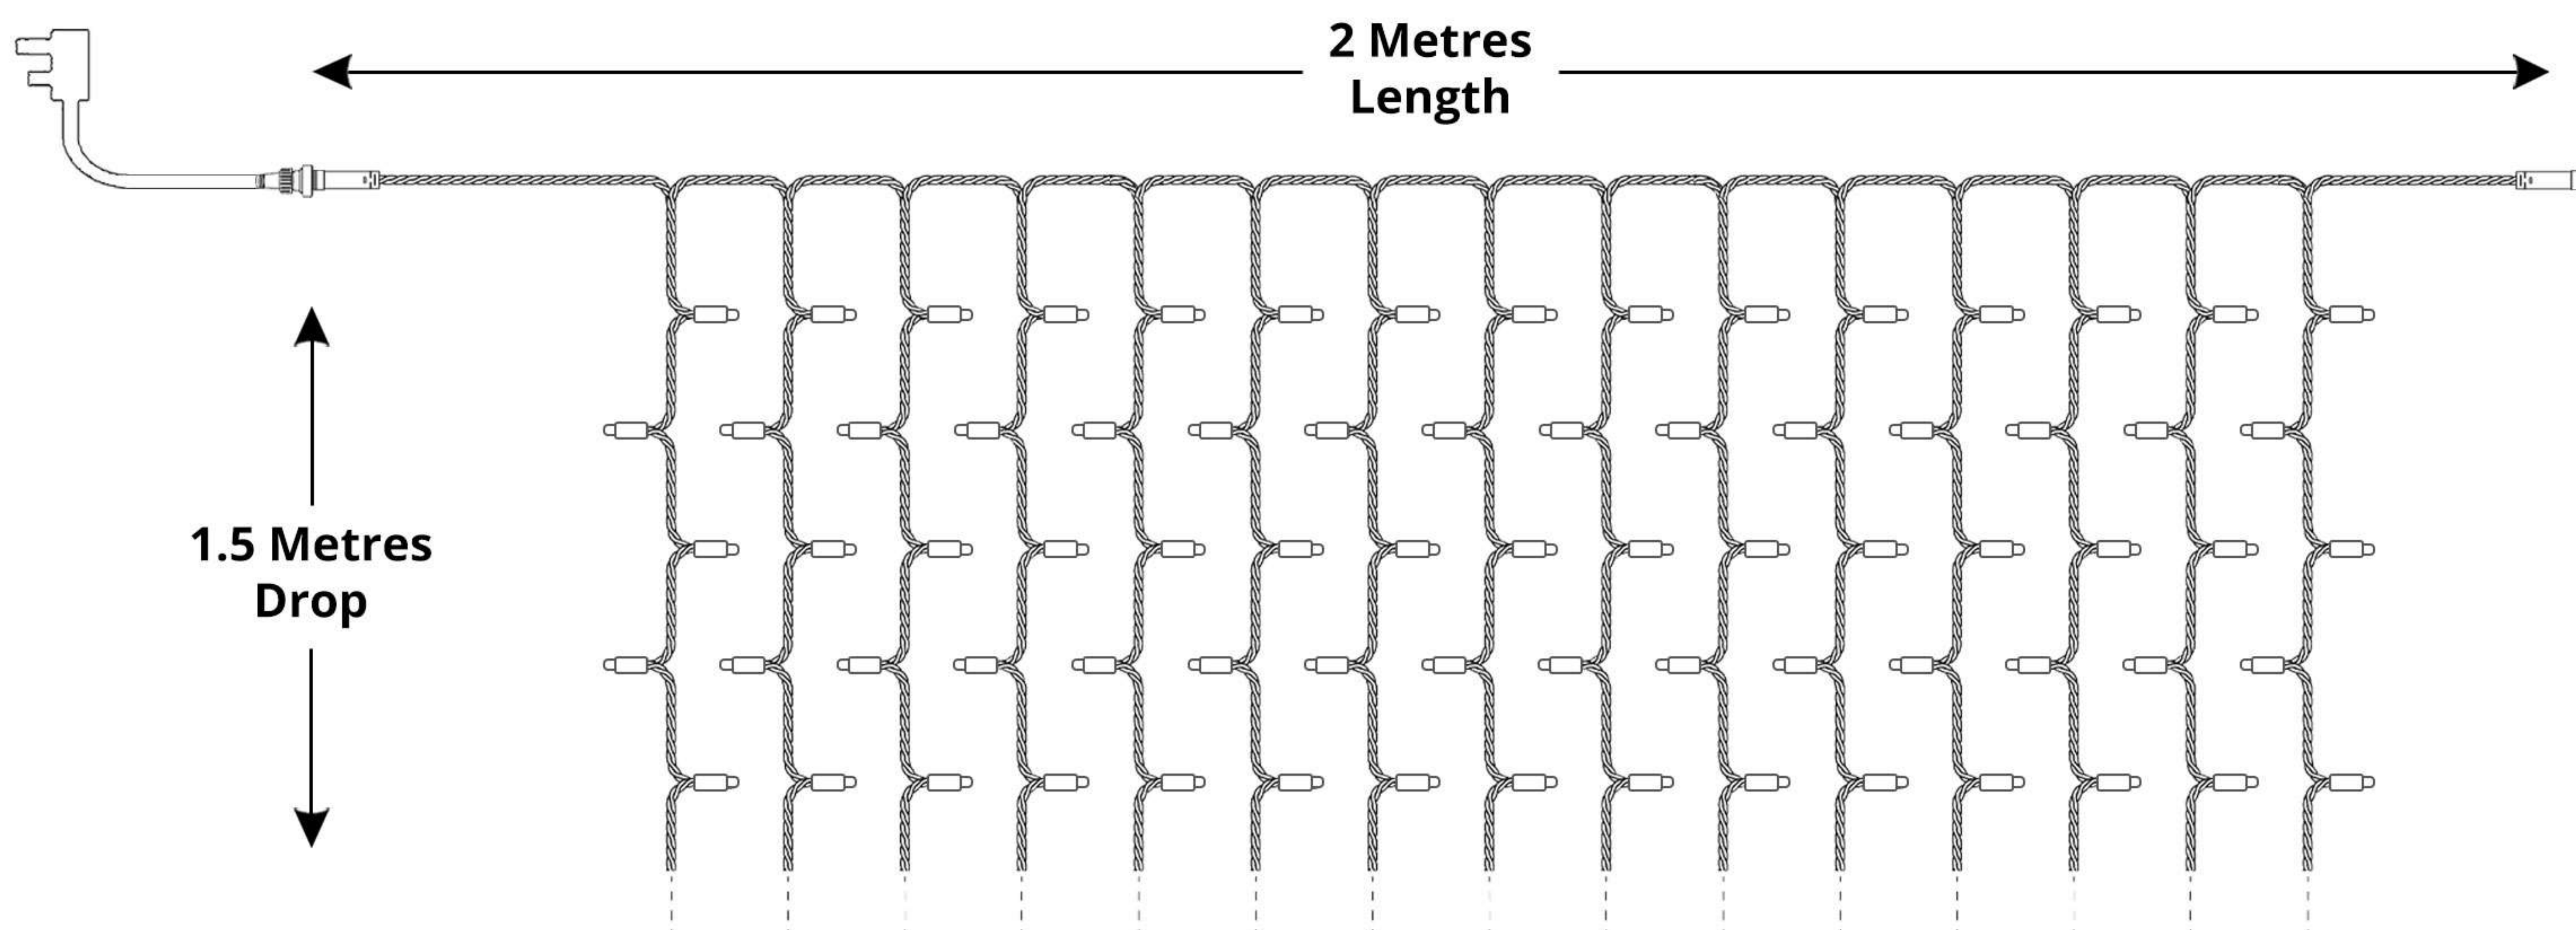

Thanks to the connectable system, you can easily link up to 6 sets together from a single power source, achieving a stunning display of up to 2,700 LEDs.
