LED CURTAIN LIGHTS 10M WARM WHITE WITH ICE WHITE FLASH

Product Description

Create impactful vertical lighting displays with these 10-metre drop connectable curtain lights, featuring 855 LEDs arranged across 15 vertical strings. Emitting a warm white glow accented with ice white flash effects, they bring depth and sparkle to tall walls, shopfronts and large-scale festive backdrops. With a 2-metre width, they offer excellent coverage and can be connected in runs of up to 6 sets (5,130 LEDs total) from a single plug lead. Constructed with a durable white rubber cable and rated IP65, these lights are suitable for year-round indoor and outdoor use. The static with flash effect ensures a steady glow with dynamic sparkle for added visual impact.
