15 LED CONNECTABLE REPLACEABLE BULB FESTOON LIGHTS

Product Description

Professional-grade connectable festoon lights featuring 15 replaceable LED bulbs spaced at 1-metre intervals on a durable black rubber cable. Designed for indoor and outdoor use, these festoon lights offer a warm 1800-lumen glow with a total power consumption of 10.5W. Made from shatter-resistant polycarbonate, the bulbs are long-lasting and include 2 spare bulbs for convenience. The set comes with a 3-metre plug lead for easy installation. Up to 10 sets (150 metres total) can be connected from a single power source, making them ideal for large spaces and events. Built for both style and durability, these festoon lights are perfect for creating a cosy, festive atmosphere.
