

## Product Description

Create stunning festive backdrops with these 3-metre drop LED connectable curtain Christmas lights, featuring 555 LEDs arranged across 15 vertical strings. Emitting a warm white glow with subtle ice white flashes, these lights add depth and movement to any display. With a 2-metre width, they provide excellent coverage for windows, walls, marquees and commercial facades. Built on a durable white rubber cable and rated IP65, they are suitable for both indoor and outdoor use. The static with ice white flash effect adds a brilliant sparkle ideal for festive occasions. Part of a connectable system, link up to 6 sets (3,330 LEDs total) from a single power source for flexible display expansion.
