

## Product Description

Professional-grade LED curtain lights featuring 855 bright LEDs arranged over 15 vertical strings, with an impressive 6 metre drop and 2 metre width. Available in ice white for a crisp, modern effect or warm white for a soft, ambient glow. Designed for large-scale festive or event lighting, these curtain lights are ideal for tall façades, shopfronts and grand backdrops. Built with a durable white rubber cable and rated IP65, they are suitable for indoor and outdoor use in all weather conditions. The static light setting ensures a clean, elegant finish. Connect up to 6 sets (5,130 LEDs total) on a single power source for expansive, high-impact displays.
