

## Product Description

Professional indoor LED curtain lights with a 6-metre drop and 2-metre width, featuring 855 bright LEDs spread across 15 vertical strings. Available in ice white for a modern, crisp effect or warm white for a soft, ambient glow. Built with white PVC cable, these lights are designed for indoor use only, offering reliable performance and a clean, professional finish. The static light effect provides a steady and elegant glow, perfect for festive, retail or event lighting. As part of a connectable system, you can link up to 6 sets (5,130 LEDs total) from a single plug lead, making these ideal for large-scale indoor installations.
