

Product Description

Create vibrant and eye catching festive displays with these 800 LED cluster Christmas lights, available in warm white, ice white and multi colour. Spanning 10 metres on a durable black PVC cable, these lights feature densely packed LEDs for maximum brightness. Equipped with an 8-function controller, you can switch between effects such as steady glow, twinkle, chasing, slow fade and more. A built-in memory function retains your last selected mode, ensure hassle-free operation. Powered by a 24V low voltage system, these lights are safe and energy-efficient, ideal for residential or commercial settings. Rated IP44, they are suitable for both indoor and outdoor use.
