## FESTOON LIGHTS HARNESS WITH 100 LAMP HOLDERS

### Product Description

Professional-grade festoon lights harness with 100 B22 lamp holders spaced evenly along a robust 50-metre black rubber cable. Designed for versatility and large-scale use, it allows you to fully customise your display with a wide range of B22 LED bulbs (sold separately), including warm white, coloured and decorative options. The harness is built for indoor and outdoor installations, with a durable construction and IP44 rating to withstand unpredictable weather. Ideal for creating personalised lighting across long runs, this festoon harness delivers dependable performance and a clean, professional finish for any occasion.

**RUBBER SEALED
