FESTOON LIGHTS HARNESS WITH 72 LAMP HOLDERS

Product Description

50-metre festoon string lights harness featuring 72 B22 lamp holders spaced 70cm apart, ideal for large-scale decorative lighting. Made with a durable black rubber cable and rated IP44, it is built for indoor and outdoor use, even in adverse weather. Fully customisable, pair with your choice of B22 LED bulbs (not included) in warm white, red, blue, green, yellow, pink or white to suit any event or setting. Designed for professional installations, this festoon harness ensures quick setup and dependable performance across long runs. Perfect for weddings, parties, commercial displays or year-round garden lighting.
