OUTDOOR FESTOON LIGHTS DROP HARNESS 10 METRES

Product Description

10-metre drop festoon harness with 12 B22 lamp sockets, spaced 83cm apart and featuring 20cm drop lengths for a traditional festoon look. Built with a durable black rubber cable and rated IP44, this festoon harness is ideal for outdoor use in all weather conditions. Fully connectable, allowing up to 20 sets (200 metres) to be joined for large-scale installations. Compatible with a wide range of B22 LED bulbs (sold separately), including warm white, ice white, red, blue, green, yellow and pink. Perfect for creating custom lighting effects for events, commercial venues, or everyday use.
