300 LOW VOLTAGE CONNECTABLE LED CLUSTER LIGHTS

Product Description

10-metre low voltage LED cluster light set with 300 densely spaced LEDs, available in ice white or warm white for indoor and outdoor festive displays. Made with durable black rubber cable and rated IP65 for long-term outdoor use. Operates on a safe 24V low voltage system, compatible with 20W, 40W or 60W transformers (sold separately). Part of a connectable system, link up to 4 sets (1,200 LEDs total) from a single power source. Ideal for trees, rooflines, fences and commercial décor. Energy-efficient and designed for a neat, professional finish.
