

Product Description

Illuminate your festive displays with our Connectable Low Voltage LED String Lights, available in ice white and warm white on a clean white rubber cable. Each 10-metre set features bright static LEDs and is part of our 24V low voltage connectable system, offering a safe and energy-efficient lighting solution for outdoor use. You can connect up to 4 sets with a 20W transformer, 8 sets with a 40W transformer and up to 12 sets with a 60W transformer (sold separately). With IP65 rating, 3W per set energy use, and male/female connectors for easy linking, these lights are ideal for both residential and commercial displays.
