Wall Mounted Woodland Reindeer's

A set of life size animatronic reindeer heads in wall mounted stable units. They can be programmed to perform a show where they interact with each other for a realistic performance. Generic audio tracks available or you can write your own. 3 reindeer heads are our most popular format, but choose from 1 to....many, the choice is yours! These characters are supplied with powered speakers, Mp3 player, micro SD card and a lit LED start button.
